

GEET BARI

FULL STACK AND BACKEND DEVELOPER

Mumbai, India | +91 87673 25155 | geetbari18@gmail.com

github.com/GeetBari | linkedin.com/in/geetbari

TECHNICAL SKILLS

Languages: JavaScript, TypeScript, Python, SQL, HTML, CSS

Frontend: React, Next.js 14

Backend: Node.js, Flask, REST APIs, Prisma ORM

Data and tools: PostgreSQL, Supabase, Git, Docker, Postman, Firebase, Razorpay, JWT, Clerk.js

Additional: Solidity, Ethers.js, Hardhat, Ethereum testnets, Power BI

EXPERIENCE

Prettiflow | AI Intern | Remote | 2026

- Evaluated LLM outputs and documented improvement suggestions.
- Supported API testing and integration work for AI infrastructure workflows.
- Researched and compared AI models to inform performance assessment.

PROJECTS

Vyoma Bank | Hybrid Blockchain Based Digital Banking System | 2025

Next.js 14, TypeScript, Node.js, Prisma, PostgreSQL, Solidity, Ethers.js, Hardhat

- Built a hybrid Web2/Web3 banking platform that combines traditional account workflows with blockchain-backed auditability.
- Designed a privacy-preserving KYC approach: identity data remains off-chain while cryptographic hashes are recorded on-chain.
- Implemented role-based loan approval workflows with on-chain event logging for transparent, auditable stakeholder actions.
- Developed REST APIs with Next.js and Prisma, JWT-based authentication, and fine-grained access control; integrated Ethers.js for smart-contract interaction and event verification.

Credit Card Recommendation System | 2024

React, Flask, scikit-learn, XGBoost, PostgreSQL

- Built an ML-powered recommendation application that matches users to credit cards based on income and spending behavior.
- Implemented XGBoost classification with encoded card-type features and reward-category optimization for multi-class recommendations.
- Developed the React frontend, Flask REST API, and PostgreSQL persistence layer.

EDUCATION

Terna Engineering College, Navi Mumbai | 2022 - 2026

Bachelor of Engineering in Information Technology

LEADERSHIP AND ACTIVITIES

- Led a team conducting musical events for Revive Fest.
- Tabla Visharad, Graduate Diploma - Gandharva Mahavidyalaya, Mumbai; Foundation Course in Fine Arts - Directorate of Art, Maharashtra.
